A message to Upcounty faith leaders and congregation representatives ----

Our faith-based congregations play a vital role in partnering with the county government to improve the quality of life for our residents and Montgomery County's liaison to the faith community, Rev. Mansfield "Kasey" Kaseman, wants to hear your thoughts on community needs you are facing in the Upcounty area. He has also invited Ms. Uma Ahluwalia, Director of the County's Health and Human Services Department. The department has several offices around the county and the office serving the northern part of the county is located on the second floor of the Upcounty Regional Services Center.
